To Whom It May Concern,

I had the opportunity to work with Bob Blake with McInnis Builders LLC on the Cherry Street Elementary School Classroom Lighting Renovations. The project was excellent and the work was conducted in an efficient and timely manner. Even with a very tight school summer break schedule, the project was completed on time. Bob reacted quickly to a few unknown above ceiling issues, and helped resolve them quickly. We look forward to working with Mr. Blake and McInnis Builders on future projects.

Sincerely,

A handwritten signature in blue ink that reads "Daniel White".
